

Physical Education & You

# GREENVALE

February 2016

## Welcome back to Physical Education and You

The Gymnastics unit is coming to an end and the feedback from the students was a positive one. Historically gymnastics is one of the students' favorite units.

We will finish up February with our Dance, Dance Revolution unit. All the students will have an opportunity to test their dance skills against the game and their fellow students. Many of our teachers also get involved in the fun. This year I'm sure we will be able to convince Mr. Stinchcomb to give it a try. This activity allows our students the chance to sharpen their kinesthetic acuity as well as compete against their classmates, and teachers, for the highest score.

**Let's all celebrate and remember the service of our past presidents on President's Day.**

We wish you a **Happy Valentine's Day, also.**

From the Physical Education staff, we hope you all have a safe and fun February vacation.
